

Judith A. Watson

February 11, 1960 - May 16, 2020

Judith Ann Watson a loving mother of three sons Josh, Adam and Kyle and a loving grandmother of 3. Eli, Luna and Dallas. She was a kind hearted woman loved by all. Judy loved the beaches of Wildwood, NJ. and worked as a waitress for most of her life. Her regulars loved her. Heck everyone loved her because that's the kind of person she was. She loved her music and everyone loved to listen to her sing. Family really meant the world to her. Judy was the kind of person that would give the shirt off of her back. She loved light houses. She was a city girl with the shore in her heart. She was a people pleaser that could brighten up a whole room. She is going to be missed very much...

“ To my Big Sis and my friend who always looked out for me and always fought for me. Judy was beautiful, and strong, intelligent, and a fighter, and who had a smile and a heart that would light up a room, a caregiver and most of all a Mother who loved her three boys, she raised three strong men that are ready to face the world because of her. Judy was my superhero. Say hi to Mom, Paul and Erica for me til we meet again with all my love your little sis Tina

“ This picture is just the way I remember her. She will always be “Aunt Judy”, our first babysitter. I’m so sorry she’s gone.

“ I am a friend of Kyle's. I lived a few blocks over from them in Upper Darby and each time I went over there to hang out, Judy made me feel like i was apart of their family. She was so warm and welcoming, funny and kind. I know how much Kyle loved her and I know for sure she will be missed. Rest peacefully, Judy
